

Who are the readers of TAXI?

TAXI, as the media partner of the "BG Verkehr" (Employer's Liability Insurance Association for Transport and Traffic), reaches all taxi and rental car entrepreneurs in Germany. The specialist magazine basically addresses entrepreneurs, but through communication in companies is also read by many taxi drivers.

What distinguishes the readers of TAXI?

Most of the readers of TAXI, as taxi and rental car entrepreneurs, are often drivers themselves. Due to frequent waiting times they are, like their employed drivers, very attentive readers. As the number of responses in the publishing house show, they often react to the printed topics of TAXI – proving how important these articles are for their entrepreneurial decisions.

What distinguishes TAXI?

TAXI reports up-to-date and through practical examples about legal, technical and economical topics from the perspective of the mobile sector. Particular attention, on one side, is paid to the integration into taxi dispatches, on the other side to the exploration of new fields for smaller, autonomous companies as well. A novelty is a standardized vehicle check where all cars and minibuses undergo practice-relevant tests. In addition to a detailed description of suitability and technical details a strong emphasis is put on the costs.

What more does TAXI offer?

Through the website www.taxi-zeitschrift.de and a weekly newsletter, TAXI publishes current news as well as reports about new products and services. The offerings are completed by the practice-relevant app „Taxi Business“, facilitating the daily work of entrepreneurs and drivers. Furthermore, TAXI is the media partner of the "Deutscher Taxi- und Mietwagenverband - BZP" (German Taxi and Car Rental Association).

On behalf of the exhibitors TAXI compiles the invitation brochure for the biennial European Taxi Fair in Cologne.
