

## 1 Short characterization:

The target group of **Gefahr/gut** includes hazardous-material commissioners, commissioned persons and businessmen in transport companies of long-distance and goods transport, in company traffic firms of the chemical-pharmaceutical and mineral industry, of chemistry wholesalers, and of the manufacturing industry. The topics are close to every-day life and include all areas relevant for hazardous materials, from production to disposal, in particular the transport of hazardous material. With up-to-date examples, "Gefahr/gut" illustrates and facilitates the implementation of legal regulations and decrees within the company.
