Editorial Concept:

What sets Autoflotte apart?

Autoflotte is a specialist information medium offering high-quality content for decision-makers in the fleet vehicle market. Autoflotte's audience consists almost exclusively of fleet decision-makers and their advisors. In other words: **Autoflotte** reaches the professionals who work with fleet-related topics on a daily basis.

Autoflotte regularly focuses on the following topics:

- **Industry news**
- **Trucks & transporters**
- **Fleet management & leasing**
- **Fleet market**
- **Fleet insurance & risk management**
- **Legislation & tax**
- **Tyres & accessories**

Our priority is to provide our readers with comprehensive information in the form of market data and running-cost comparisons, as well as support with all issues concerning fleet vehicles.

Autoflotte is a specialist information medium offering a wealth of information, high-quality, reliable content and relevant topics, which both inspires close reading and provides a reference source.

Inserts and other advertisements in **Autoflotte** also profit from the magazine's high level of reader acceptance. These advertisements establish direct contact between fleet operators and suppliers at minimum cost and with negligible waste circulation. Suppliers can present their products and services and take advantage of **Autoflotte**'s reach.

Autoflotte's services are complemented by its online presence, an email newsletter and the **Autoflotte** Akademie.

Snapshot Profile:

What does Autoflotte have to offer?

Autoflotte is the primary specialist publication for the fleet market in the German-speaking countries. The target audience in this expanding market includes decision-makers for corporate fleets, government agencies and other organisations with more than ten cars and/or transporters. Board members, CEOs, managers and other decision-makers all turn to **Autoflotte** when they want cost-reducing measures, intelligent solutions and to find out about both technical and non-technical innovations. The latest market data and competent support with everyday problems in fleet management are what make **Autoflotte** successful.
