What distinguishes the OMNIBUSREVUE?

The OMNIBUSREVUE is one of the most important magazines of the bus sector and celebrated its 65th anniversary in 2015. In fast-changing times, e. g. with long-distance coaches, e-mobility or digitalization, we want to be the guidepost for the bus sector. The OMNIBUSREVUE supports entrepreneurs and managers with tips for the everyday business, current legal articles, vehicle tests and technical novelties plus useful information about group tour trends and destinations. This magazine is completed by a broad online supply of the latest news, a vehicle database and movies on BUS TV.

Who are the readers of the OMNIBUSREVUE?

Considerably more than three quarters of all readers of the OMNIBUSREVUE occupy top positions in their companies. They are mostly owners, chief executives or managers and possess a high level of decision competency.

How do the readers evaluate the OMNIBUSREVUE?

As the reader structure analysis revealed, the readers are confident of the competent articles and the intelligibly presented information. They rate the OMNIBUSREVUE as an important information media for their daily work. Roughly 96 percent would recommend the magazine, 87 percent rate the reporting as objective, critical and factual. Also the clear and comprehensible design is appreciated by the readers.

What more does the OMNIBUSREVUE offer?

Part of the OMNIBUSREVUE portfolio are the mobile e-paper issue, events, special single-topic magazines, an online database with vehicle data and dealer portraits, the useful „Bus Handbook with Used-Bus Price Index“, and the video portal BUS TV. In addition, as a specialized information provider encompassing multiple media, we offer daily news on our website and also a weekly newsletter.newsletter., and the video portal BUS TV.
